

SCSBA LEGISLATIVE PREVIEW WEBCAST • OCTOBER 2, 2014 • 6-7:15 P.M.

Mark your calendars and plan to participate in SCSBA's annual fall Legislative Preview Webcast on Thursday, October 2 from 6 until 7:15 p.m. The live webcast, which features the SCSBA legislative team, will allow board members, administrators and other public education advocates to get information on education issues likely to top the 2015 legislative session.

WAYS TO PARTICIPATE

The webcast will be linked directly from the SCSBA home page, and there are several ways to get involved:

1. Watch live online at your school or district office location. School boards can invite staff, parents, and other public school advocates to watch and hold their own discussion afterward.
2. Watch live from the comfort of your home. (You will need a high-speed Internet connection.)
3. Watch the webcast later. The program will be archived, and a link will be emailed to SCSBA members about two weeks after the live webcast.

HIGHLIGHTS

- Top legislative issues for the 2015 session
- Education funding reform
- November 2015 elections

BOARDMANSHIP INSTITUTE

Board members who participate will earn 5 points and 1.5 hours credit in the SCSBA Boardmanship Institute. Board secretaries can email the names of participating board members to the SCSBA by Thursday, October 31.
