

# SOSBIT

The insurance partner schools trust. Since 1984.

trust

“

*With us it's not just about paying premiums and processing claims — it's personal. Personal service from people you trust who know South Carolina public schools. Insurance staff who live and work in our state, and most importantly, have great working relationships with the hard working people who make up our member school districts.*

**Steve Mann**, Director of Insurance Services  
803.988.0254, [smann@scsba.org](mailto:smann@scsba.org)

”

## **Workers' Compensation**

- Established in 1984 for SC school districts
- Currently covers annual payroll of \$2.9 billion and 80,000 employees
- Processes over 2,600 claims per year
- 11 in-house adjusters
- Provides 82 percent of school districts with coverage (not counting three self-insured districts)

## **Property and Casualty**

- Established in January 1990 for SC school districts
- Currently provides coverage to 52 school districts out of 81 in SC
- Minimal coverage for school districts on the coast
- Excellent financial shape
- Purchases reinsurance on the open market to minimize risk

## **Risk Control Services**

- Sound risk control strategies to protect employees, students and the public
- On-site visits to assess health and safety concerns
- Systematic approach to identify, assess and minimize risks
- Non-competitive Risk Control Grant Program to reduce risk and promote safety
