GET ON BOARD!

**FUNDING · TAKEOVERS · REPORT CARDS
CONSOLIDATION · TEACHER SHORTAGE**

Each year, a growing number of bills are filed to give the state greater oversight over local school districts.

Learn how looming issues may create the perfect conditions that could threaten the role of local school boards.

Bring your school board voice to discuss the roles of the state and local school boards in education.

We'll ask for your thoughts and ideas for ways to ensure your role as a school board member remains strong.

Registration

In an effort to prevent duplicate registrations, invoicing and credit card charges, school board members and district administrators must register through their board secretary. Registrations by individual members are not accepted.

Associate members must register through their company's contact assigned by SCSBA. Registrations by individual members are not accepted.
