SCSBA’s Annual Legislative Advocacy Conference and Delegate Assembly sets the stage for all the action that takes place January to June in our state’s capital. Hear from state policy and political leaders and learn how to become a strong voice for South Carolina public schools.

• Learn about proposed state education legislation
• Get a forecast of the state’s budgetary issues and how they may impact school funding
• Gain a better understanding of the power of collaborative, proactive approaches to the political process

Board members will receive 15 points and 7 hours of credit in the Boardmanship Institute for conference attendance and participation.
