

THE SOUTH CAROLINA SCHOOL BOARDS ASSOCIATION

P R E S E N T S

# BEYOND THE BASICS

## Moving from conflict to collaboration

Setting a positive tone and learning to work collaboratively to achieve common goals is a key to the success of local school boards. Has your local board meeting ever included uncomfortable, contentious interactions or heated debates? During this advanced-level training we will identify strategies for resolving conflict, practice behaviors that minimize tension among members and learn best practices for leading civil discussions that allow for differing opinions. The day will include engaging activities and end with practical next steps for your board.

You will not want to miss this opportunity. Seating will be limited.

The registration fee, which includes lunch, is \$100 per person. You may register at [www.scsba.org](http://www.scsba.org).

Participating board members will receive 5 points and 5 hours SCSBA Boardmanship Institute credit.

**October 10, 2019**  
**9 a.m. - 3:30 p.m.**
