# SCSBA President's Welcome

## Welcome to the South Carolina School Boards Association's 2015 Annual Convention!

School boards are made up of ordinary people. That is to say, we are community members from all walks of life. Like the people we represent, we have careers, raise families, belong to churches and civic organizations, and enjoy time to relax and recharge. But I truly believe that when we come together for the cause of supporting public schools, we do extraordinary things.

Our schools take responsibility for the safety of thousands of children each day. Our schools are centers of all sorts of innovative teaching and learning. And our schools strive to nurture children socially and emotionally as they prepare to go out into the world as young adults. None of this could be done without the leadership and vision of locally elected and appointed school boards.

This year's convention features speakers and presenters who will reinforce the mission of public school governance. I hope you will take the opportunity to learn from them and to connect with each other. I also want to encourage you to visit the convention Trade Show. A diverse array of vendors will provide you with a wealth of ideas and information to take back to your districts.

Effective school board leadership requires hard work, focus, and a constant effort to learn and improve. That's why I'm so excited about this year's SCSBA Annual Convention. It promises to be a wonderful experience – one that will help us continue to make extraordinary things happen for the children of our state. I want to thank each of you for your dedication and service to students and for standing up for public schools.

As Assistant Democratic Leader in the 113th Congress, the number three Democrat in the House, James E. Clyburn is the leadership liaison to the Appropriations Committee and one of the Democratic Caucus' primary liaisons to the White House. Working with the internal caucuses, he plays a prominent role in messaging and outreach.

His humble beginnings in Sumter, as the eldest son of an activist fundamentalist minister and an independent civic-minded beautician, grounded him securely in family, faith and public service. When Congressman Clyburn came to Congress in 1993, he was elected co-President of his Freshman class and quickly rose through leadership ranks. He was elected Chairman of the Congressional Black Caucus in 1999, and his reputation as a leader and consensus-builder helped him win a three-way race for House Democratic Caucus Vice Chair in 2002. Three years later, he was unanimously elected Chair of the Democratic Caucus. When Democrats regained the House majority in 2006, Congressman Clyburn was elevated by his colleagues to House Majority Whip.
