

DISASTER!

How Districts Can Prepare for the Worst
Through Collaboration and Community Partnerships

Alan Walters

Director of Safety & Risk Management
Georgetown County School District

Major Issues for Schools

- When do we close?
- When do we reopen?
- How can we help?

We Have Resources

- **People**
- Buildings
- Equipment
- Vehicles
- Food

Preparing for the Worst

- Have a plan
- Protect and preposition assets
- Connect with local Emergency Management

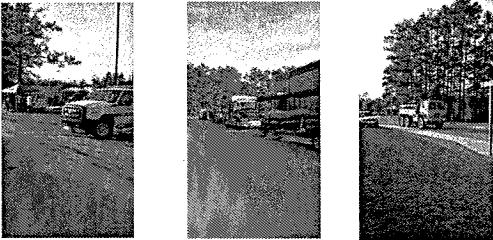

Working the Plan

Working the Plan

Working the Plan

**Getting Started –
Building Relationships**

- Reg. 58-1 Emergency Management
- Local Emergency Planning Committee
- School Safety Committee

Regulation 58-1

- Each county within the State shall establish a formal Emergency Preparedness organization ... comprised of all county and municipal officials, departments, local school districts ...

Regulation 58-1

- County and municipal officials, departments, employees and local school districts shall support the development and maintenance of appropriate emergency plans and procedures, and participate in necessary preparedness activities.

Local Emergency Planning Committee

- Meets quarterly
- Includes emergency responders, government agencies, non-profits, business and industries

School Safety Committee

- Meets monthly
- Includes law enforcement, fire/rescue, emergency medical services
- Executive level members

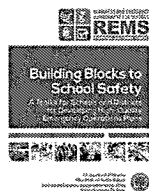

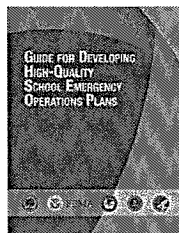

Are You Ready?
