SCSBA is coming to a school near you!

Mark your calendar and make plans to attend one of five new SCSBA Regional Advocacy Meetings. Please plan to attend the meeting that best fits your schedule.

Meeting participants will: preview educational issues that are likely to top the General Assembly's agenda in 2018; discover how united voices can make a difference in advocating for public schools; discuss hot topics such as school start date, consolidation, funding and vouchers; and leave with action steps for how school boards can address these key issues with local, state and federal legislators.

Registration

School board members and district administrators must register through their board secretary. Registrations by individual members are not accepted in an effort to prevent duplicate registrations, invoicing and credit card charges.

Associate members must register through their company's contact assigned by SCSBA. Registrations by individual members are not accepted.
