

TWO DAYS @ THE CAPITOL

standing up and speaking out

As a leading voice for local public schools, your visibility in front of state lawmakers is important. This year, our advocacy efforts will focus on eliminating the statewide school start date and authorizing local school boards to set their own district start date, eliminating the salary cap for retired teachers and calling for sensible school and bus safety measures. Your role in the fight for high quality public education for all students in 2018 is crucial.

2DAC is two days during the legislative session for board members, superintendents and other public school advocates to:

- spend time at the State House meeting with legislators to discuss public school issues
- attend legislative committee meetings
- increase the visibility and voice of local school boards
