

2021 SCSBA REGIONAL ADVOCACY MEETINGS

GAME ON!

Last season

, also known as the legislative session, lawmakers passed sweeping legislation that changes the state's education accountability system to include the dissolution of school boards in districts taken over by the state.

Join SCSBA and your colleagues from around your region to delve into the new law. We'll discuss a game plan for ways the law may be used to advocate for the tools and resources needed to strengthen school board governance.

The new season is right around the corner, and SCSBA wants our team to be ready, so plan to attend and register now for one of three regional meetings. But, no worries — no weight lifting, sprints or even shoulder pads will be required!

Game plan

Registration and dinner will begin at 5 p.m., and the program will be held from 5:30–7 p.m.

Tickets

Registration is now open and is \$55 per person, which includes dinner. In an effort to prevent duplicate registrations, invoicing and credit card charges, school board members and district administrators must register through their board secretary. Associate members must register through their company's contact assigned by SCSBA. Registrations by individual members are not accepted. No walk-in registrations will be accepted.

Score

Participating board members will receive 5 points and 2 hours of SCSBA Boardmanship Institute credit.
