

2021 South Carolina School Boards Association Legislative Preview Webinar

Wednesday, November 10 • Noon to 1 p.m.

Mark your calendars

and plan to join us online for our annual fall legislative preview webinar to get an overview of legislative issues for school boards in 2022. The SCSBA team will share the top three legislative issues identified by school board members participating in this year's four SCSBA Regional Advocacy Meetings in September. We will also cover the K12 issues that are most likely to top the legislative K12 education agenda.
