

It's been nearly two years since school board members have been able to convene in the State House to voice support for public schools.

This year, let's show up in force, as one loud voice in support of our students, teachers and parents!

show up, speak up

New this year — we're inviting all of our members to Columbia on the same day to spend time at the State House meeting with legislators to discuss public school issues, attend legislative committee meetings and increase the visibility and voice of local school boards!

So, clear your calendar and make plans to be in Columbia on Wednesday, April 27.

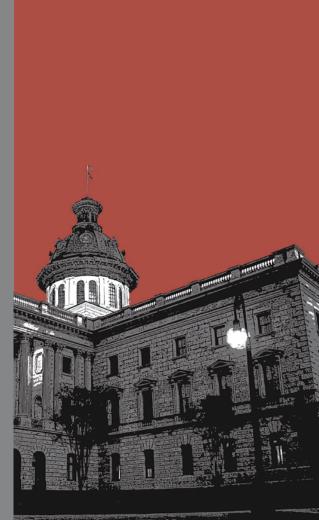

We'll spend the morning meeting with lawmakers to discuss key k12 legislative issues including:

 State appropriations proposal for K12 education

- Various legislation creating new mandates for public schools
- · Public school choice bills
- Private school voucher proposals

Be sure to read our "steps to take before arriving" to ensure you will be ready to meet with your lawmakers.

For our luncheon, SCSBA is inviting all of the candidates running for state superintendent of education to participate in what will likely be the first candidate forum before the June primaries.

registration

Online registration is now open. The registration cost is \$75 per person until April 18, 2022; afterwards, it increases to \$85. The registration fee includes continental breakfast and buffet lunch. No refunds will be issued after April 18, 2022.

To prevent duplicate registrations, invoicing and credit card charges, SCSBA's online registration process is as follows:

- School board members must register through their board secretary.
- Associate members must register through their company or organization's SCSBA contact.
- All others can register by clicking on the "registration" link on the Day at the Capitol webpage at scsba.org.
