## Mark your calendar and plan to attend the 2023 SCSBA Day at the Capitol

on Wednesday, April 19, 2023. This annual event is an opportunity for school board members, superintendents and public school advocates to:

- spend time at the State House meeting with legislators to discuss public school issues
- attend legislative committee meetings
- increase the visibility and voice of local school boards
- discuss with lawmakers proposed legislation and its impact on students in their district

As a leading voice for local public schools, your visibility in front of state lawmakers is important to advocate for K12 education.
