SCSBA Regional Advocacy Meetings are upon us!

It's time again to register for the South Carolina School Boards Association's annual regional advocacy meetings. At these meetings, SCSBA provides crucial information to effectively advocate for public schools during the 2024 legislative session.

So, mark your calendars and plan to engage in an interactive advocacy-focused discussion on school board member influence and impact, as well as ideas on how to strengthen your board's impact on education through your relationships with lawmakers.
