Welcome and Opening Remarks

Scott Price, Executive Director, SCSBA

Lyde Graham, Director of Insurance Services, SCSBIT

8:15 – 9:45 a.m.

Keynote – “I Love U Guys” Foundation - From Tragedy to Impact: John Michael Keyes shares the powerful origin story of the “I Love U Guys” Foundation and how it grew from a single, tragic event into a nationwide leader in school safety. Learn how their Standard Response Protocol and Reunification Method have shaped emergency preparedness in over 60,000 schools—and why their mission remains more relevant than ever.

John-Michael Keyes, *Co-Founder, Strategic Initiatives Director, The “I Love U Guys” Foundation*

Stacy Avila, *Training Coordinator, The “I Love U Guys” Foundation*

9:45 – 10 a.m.

Break

10 – 10:45 a.m.

Standard Response Protocol (SRP): Join us for a panel discussion on the Standard Response Protocol—an action-based, flexible, and easy-to-learn approach to school safety. This session will explore real-world applications, available resources, and how SRP can be adapted to meet the unique needs of your district or agency. Engage with our guest panelists as they share insights, answer questions, and highlight best practices for effective emergency response.

John-Michael Keyes, *Co-Founder, Strategic Initiatives Director, The “I Love U Guys” Foundation*

Stacy Avila, *Training Coordinator, The “I Love U Guys” Foundation*

Captain Wayne Freeman, *Statewide Training Lead, Statewide Active Shooter/Complex Coordinated Terrorist Attack Program, South Carolina Law Enforcement Division (SLED)*

10:45 – 11 a.m.

Break

11 a.m. – 12 p.m.

Standard Reunification Method (SRM): A focused look at reunification planning—because recovery starts the moment a crisis begins. Learn the key elements of SRM and how to integrate it into your district’s emergency response framework.

Captain Wayne Freeman, *SC SLED*

12 – 1 p.m.

Lunch (included with registration)

1 – 2 p.m.

Caring for Special Needs Students in SRP & SRM: Join the South Carolina Law Enforcement Division (SLED) for a focused discussion on how to thoughtfully incorporate the needs of students with disabilities and special needs into the Standard Response Protocol and Standard Reunification Method. Learn practical strategies to ensure inclusive, effective crisis planning and response.

Captain Wayne Freeman, *SC SLED*

2 – 2:30 p.m.

South Carolina Law Enforcement Division (SLED) Training Center: Discover the capabilities of the SLED Training Center in Gilbert and explore the specialized resources, programs, and partnership opportunities available to support both school districts and law enforcement in enhancing campus safety and emergency preparedness.

Captain Wayne Freeman, *SC SLED*

Captain Wayne Freeman, *SC SLED*

3 – 3:30 p.m.

The First Line of Defense – Anonymous Reporting and Monitoring: Matthew will walk you through how schools are protecting themselves against potential threats through volunteer tips and monitored alerts with data, facts, and stories from South Carolina.

Matthew Toth, *Strategic Account Executive, Lightspeed Systems + STOPit Solutions*

FRIDAY, OCTOBER 10

7:30 – 8:20 a.m.

Continental Breakfast (included with registration)

8:30 – 9:15 a.m.

KYND – Cyber Risk Program: In today’s world, keeping your school district safe doesn’t just mean locking the doors—it means locking down your networks too. Through your membership with SCSBIT, your district has access to KYND, a powerful cyber hygiene platform that helps identify vulnerabilities, monitor exposures, and prevent costly cyber incidents before they happen. Shelly Heflin will provide an engaging walkthrough of the KYND platform and its key features, showing how this simple, proactive tool can make a big impact in protecting your district from the ever-evolving landscape of cyber threats.

Shelly Heflin, *Head of Client Success, KYND*

9:15 – 9:30 a.m.

Smart Training for Safer Schools: Discover how Vector Solutions can help your district meet essential training requirements—from health and safety to cybersecurity—with user-friendly, on-demand courses designed for today’s busy school environments. This quick session will show how the platform supports compliance and risk management while easing the burden on your team.

Angela Gray, *Enterprise Account Executive, Vector Solutions*

9:30 – 9:45 a.m.

Break

9:45 – 10:45 a.m.

Cybersecurity: This includes an overview of South Carolina Critical Infrastructure (SC CIC) and its mission to protect the state’s most vital sectors. Deputy Director Ridgeway will focus specifically on the growing cyber threats facing South Carolina’s school districts – from ransomware and phishing to data breaches – and how SC CIC is partnering with K-12 education leaders to enhance cybersecurity readiness, response, and resilience.

Travis A. Ridgeway, *Deputy Director, South Carolina Critical Infrastructure Cybersecurity (SC CIC), South Carolina Law Enforcement Division (SLED)*

10:45 – 11 a.m.

Closing Remarks

Lyde Graham, *Director of Insurance Services, SCSBIT*
