Make it a winsome Wednesday!

Make plans to attend the 2026 SCSBA Day at the Capitol on Wednesday, April 22, 2026. This annual event is an opportunity for you as school board members, superintendents and public-school advocates to:

- **share local public education concerns** with your legislators at the State House
- **discuss the impact of proposed legislation** on students in your district
- **increase the visibility of school boards** to increase your voice being heard

When school board members prioritize advocacy, state lawmakers and K12 education win!
